

# AN INVITATION

## TO EXPAND YOUR KNOWLEDGE OF THE BENEFITS OF PRECAST FLOORING HOSTED BY THE PRECAST FLOORING FEDERATION

Join us at one of the seminars taking place across the U.K for a series of fully approved CPD technical presentations on the subject of:

### “Concrete Floors By Design”

Meet those companies who are at the forefront of development in this fast moving sector and listen to leading industry figures discussing the role that precast concrete is having in both the private and public construction sector.

## CPD ACCREDITED SEMINAR

The Precast Flooring Federation and the companies within its association are able to offer comprehensive evaluations on key industry topics sectors and provide extensive technical knowledge that benefits the wider construction market. Don't miss your opportunity to expand your knowledge of this developing area within the UK Construction.
